Gallatin Examiner.]

REV. DR. T. M. TARBOX. The little springs, the sparkling rills, in lonely coverts hide;
They run among the ancient hills and through the shadows glide;
Their birth is in the wilderness. From mountain wilds they go, By many winding paths, to cheer. The thirsty lands below.

Got guards the little mountain springs Nor lets their channels dry;
He hovers on his cloudy wings
From out the stormy sky;
He gives the rain and "snow like wool,"
And feeds this conseless flow,
To make the lowlands beautiful, And waving harvests grow.

The strength that makes a nation great in secret is supplied;
The energies that build the State
In humble virtues hide;
From simple homes among the hills
The primal forces flow,
The strength that conquers earthly ills
And overcomes the foe. mendous influence upon the result of the pending Presidential carvass. Mark our prediction, that, if it is persisted in, it will utterly destroy all hope of the election of a Democratio nomines. It will be another "bloody shirt," to flaunt

And if these lonely fountains fall, And little streamlets dry, No art or cumning can avail; The Nation's seif must die But if the mountain streams are pure, And constant in their flow, The Nation's heritage is sure in all the plains below.

Another medium in Baltimore sent Mrs. Stewart a communication from the "spirit land" signed by her husband. In this, with great gravity of language, she was directed to purchase several she was directed to purchase several.

Weekly, and that the trial that the crisis is infinitely that the crisis phis in their heavy city debt; but their ontinued the spirit, gravely, and the near a candle, and her muslin dress was less, will maintain her naval supremacy the disposition of an honest and unforjudge laughed heartily when he read it. in flames in an instant. Both actors in the Dardanelles, and she may even tunate debtor to make a clean showing occupy Constantinople, but where are and then ask for terms. This is a practhe troops she will need to enable her to tical matter, and every business man 'spirit world' with the care of the proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is knows that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is known that the unfortunate debtor, who proceeding with his part, interpolated: hold it against a triple alliance? It is known that the unfortunate debtor, who proceed help on earth. "You see, my dear, I was right. You have considered the season closely. Virgil, and requested her to consult his friends, and requested her to consult his friends, and regard to her business, and requested her to consult his friends, and regard to her business, and requested her to consult his friends, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and watched the season closely. Virgil, and regard to her business, and that is his assets and fights his creditors at law, the reason why the Rothachilds are ready to flare up for the least thing."

In the climate of the scattering and that is his assets and fights his creditors at law, the reason why the Rothachilds are selling out consols. This feeling as the city of Memphis is just at that to the inability of England to cope with her formidable adversaries, should the to lead the perilous flare up for the least thing."
